MACHINE PAYMENTS BY INSTALMENTS

If you want to pay for your machine with a fixed monthly payment, then Winterhalter can offer you that facility. The instalment option is a way for you to pay in more manageable chunks towards eventual ownership.

Instalment payments gives you access to premium glass, dish and utensil washers that deliver hygienically clean results.

HOW INSTALMENTS WORK...

Zero Outlay:

No upfront cost and zero outlay.

Guaranteed Quality:

From a Winterhalter glass or dishwasher

Monthly Payments:

Payment collected monthly by direct debit.

Ownership

The machine becomes your asset after the final instalment.

ADVANTAGES OF INSTALMENTS

PROFITABILITY

With no upfront costs to pay, instalments free up capital for you to invest in other areas of your business. You can acquire essential but costly equipment without the associated up-front costs.

CASH FLOW

Instalments allow you to own equipment quickly and easily without the initial outlay. Clear, monthly instalments will allow you to forecast your expenses and budget accordingly. Paying by instalments gives you the same warranty cover as the outright purchase of a machine.

OPTIONS

We can package optional extras into the cost of the instalments. If you want an ultra-efficient machine, with additional energy saving features, that will help reduce your running costs, no problem. We can tailor a machine to meet your precise on-site requirements and a price to match.

FIRST-CLASS QUALITY

Rely on real brand quality: our instalment purchase options are part of our total warewashing solution, which combined together can guarantee top-quality wash results. It can also be integrated with our optional extras including the Energy and Excellence-I machines.

OWNERSHIP

Full ownership is passed to you once the final instalment is paid.
